7. Please describe any practices that the Instructional Assistant specifically used that created or interfered with a welcoming and supportive learning environment.

I went to his office hours once, and he was very open about the level of math I was at.

Josh was very useful during discussion and office hours. He answered my questions efficiently and filled in on information that I was confused about.

Very helpful in discussions; at times, leaves questions for us students to really think about the material and answer questions from lectures that are complex.

Very open and cheerful person. Was easy to talk to.

8. Please describe any practices that the Instructional Assistant specifically used that particularly helped you to learn the material and/or encouraged you to feel that you could succeed in the course.

Gave good practice problems and advice.

He helped me understand the content well.

Yes!

9. Please offer constructive suggestions that might help the Instructional Assistant improve their contribution to your learning of the course material.
